MURALS

This year's O+ Poughkeepsie visual artists are responding to the theme: SHADO+W. By investigating shadow we gain a fuller understanding of our world, illuminating the rich material and medicine hidden in the fertile depths. What needs to be seen?

- Joe Pimentel** 272 Main St. (wall faces Cannon Street lot)
- Lady Pink** 550 Main St. (South White Street wall)
- Sam Meyerson** Bardavon truck (Cannon Street lot)

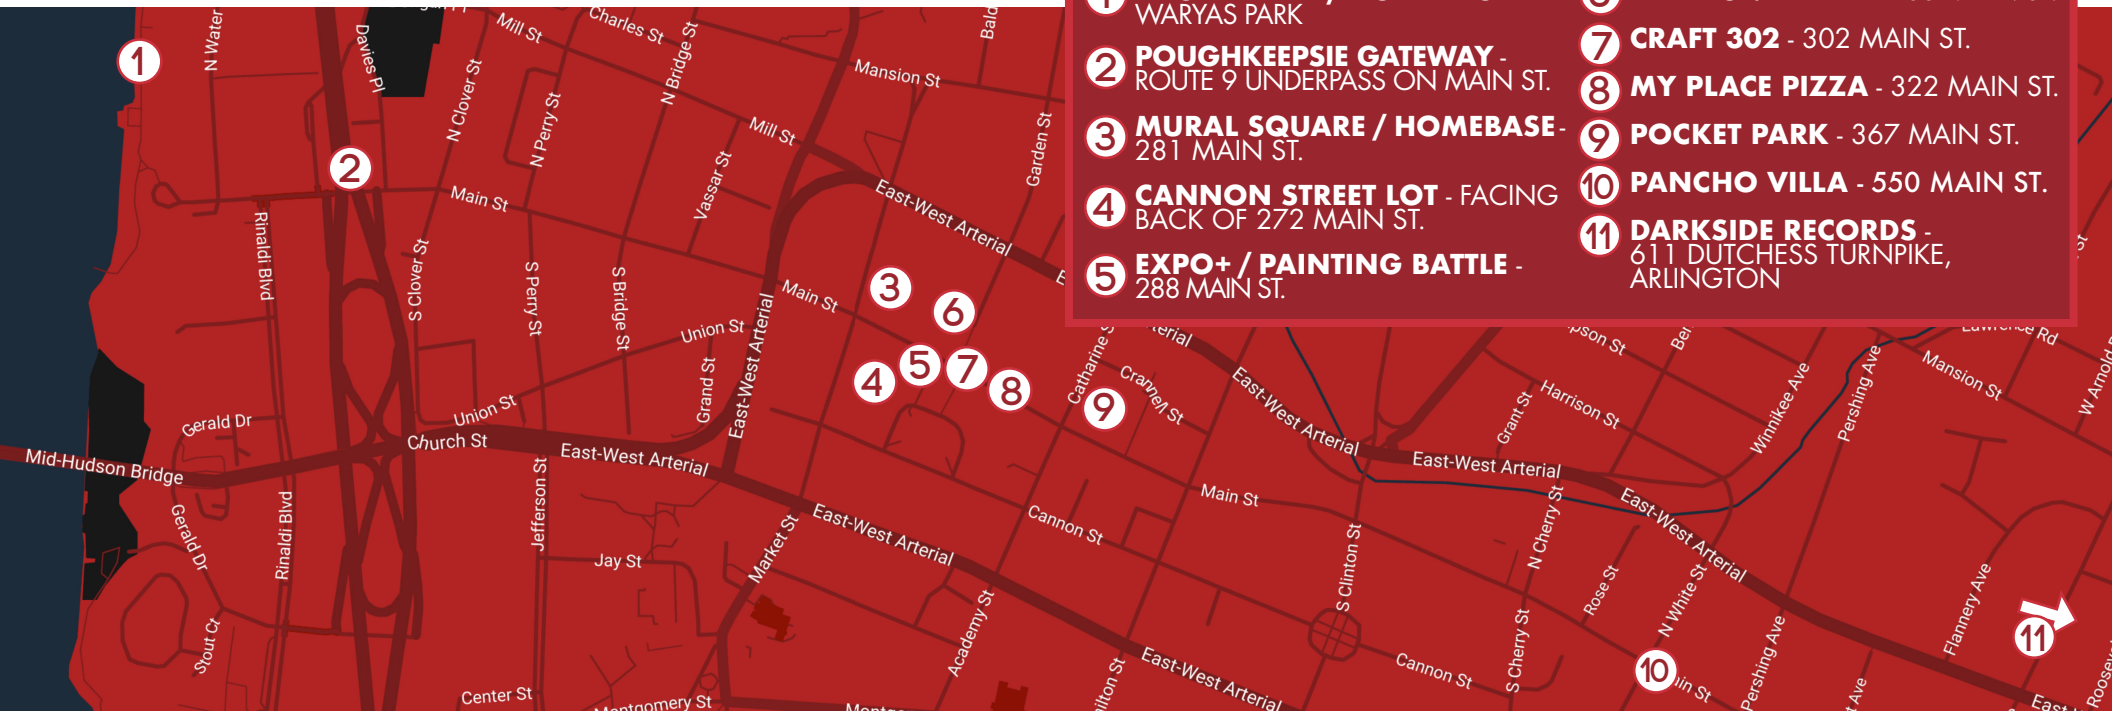

In the weeks leading up to the festival weekend, O+ Poughkeepsie alumna Risa Tochigi aka boogieREZ is painting a massive mural at the Poughkeepsie Gateway, which is the Route 9 underpass on Main Street. That project is a partnership between Arts Mid-Hudson, Poughkeepsie Alliance and O+.
